Art.-No.
118 840

Sicherheitsrelevante Informationen:

Berücksichtigen Sie länderspezifische Installations- und Betriebs-Anforderungen.

Das Öffnen von Systemkomponenten ist nicht gestattet.

WARNUNG Stromschlag
Das Öffnen des Netzteils ist nicht gestattet.

Installation:

- Die Installation, Inbetriebnahme und Wartung des Systems darf nur von geschulten Fachkräften durchgeführt werden.
- Die Installation darf nur in frostsicheren Räumen vorgenommen werden.
- Rohrleitungen und Schläuche sind vor der Installation gründlich zu spülen.

Bedienung:

Bitte beachten Sie die separate Bedienungsanleitung, die dem System beiliegt.

- Die separate Bedienungsanleitung und alle weiteren Unterlagen müssen unbedingt an den Endverbraucher übergeben werden.
- Erklären Sie dem Benutzer die Funktion der einzelnen Baugruppen. Machen Sie ihn mit dem Gebrauch der Armatur vertraut und gehen Sie mit ihm die Bedienungsanleitung durch.

Wartung:

- Das System darf nur vom BLANCO Kundendienst repariert werden.
- Wartungsarbeiten sind nur von Fachpersonal durchzuführen.
- Nur original BLANCO Ersatz- und Zubehörteile verwenden.
- Es sind nur von BLANCO empfohlene Filterkartuschen zu verwenden.

Safety-relevant information:

Take country-specific installation and operation requirements into account.

It's forbidden to open any system components.

WARNING - electric shock

It is forbidden to open the power adapter.

Installation:

- The installation, commissioning and maintenance of the system may only be carried out by specialist technicians.
- It may only be installed in frostproof rooms.
- You must flush and wash pipelines thoroughly before installation.

Operation:

Follow the separate operating instructions enclosed with the system.

- The separate operating instructions and all other documents must be given to the end consumer.
- Explain to the user how the individual assemblies work. Familiarise them with how the mixer tap is used and go through the operating instructions with them.

Maintenance:

- Only BLANCO Customer Service may repair the system.
- Only specialist technicians may carry out maintenance tasks.
- Use BLANCO original spare parts and accessory parts only.
- Use only filter cartridges recommended by BLANCO.

Informations relatives à la sécurité:

Respectez les dispositions du pays relatives à l'installation et à l'utilisation.

L'ouverture des composants du système n'est pas autorisée.

AVERTISSEMENT Choc électrique

L'ouverture de l'alimentation n'est pas autorisée.

Installation:

- L'installation, la mise en service et la maintenance de la système ne doivent être effectuées que par un personnel spécialisé.
- L'installation doit se faire dans un local protégé du gel.
- Les conduites doivent être rincées en profondeur avant l'installation.

Manipulation:

Veillez respecter le mode d'emploi séparé joint au système.

- Le mode d'emploi séparé et tous les autres documents doivent être impérativement remis au consommateur final.
- Expliquez à l'utilisateur la fonction de chacun des sous-ensembles. Familiarisez-le avec l'utilisation de la robinetterie et parcourez le mode d'emploi avec lui.

Maintenance:

- Le système peut uniquement être réparé par le service après-vente BLANCO.
- Les travaux de maintenance doivent être effectués par un personnel spécialisé.
- Utiliser uniquement des pièces de rechange et accessoires BLANCO.
- Utiliser uniquement les cartouches filtrantes recommandées par BLANCO.

Informazioni di rilievo per la sicurezza:

Attenersi ai requisiti di installazione e funzionamento specifici del paese.

Non è consentito aprire alcun componente del sistema.

AVVERTENZA: folgorazione elettrica
Non è consentito aprire l'alimentatore.

Installazione:

- L'installazione, la messa in servizio e la manutenzione del sistema possono essere eseguite solo da tecnici qualificati.
- L'installazione deve essere effettuata solo in un ambiente al riparo dal gelo.
- Prima delle installazione, le tubazioni devono essere lavate accuratamente.

Uso:

Attenersi al manuale di istruzioni accluso al sistema.

- Il manuale di istruzioni e tutti gli altri documenti devono essere sempre consegnato al consumatore finale.
- Illustrare all'utente il funzionamento delle singole unità. Farlo familiarizzare con l'uso della rubinetteria e leggere il manuale di istruzioni insieme a lui.

Manutenzione:

- Il sistema calda deve essere riparato solo dal servizio di assistenza BLANCO.
- I lavori di manutenzione devono essere svolti solo da tecnici qualificati.
- Utilizzare solo parti di ricambio e accessori BLANCO originali.
- Utilizzare solo cartucce filtranti consigliate da BLANCO.

Veiligheidsinformatie:

Neem de nationale installatie- en bedrijfsvoorschriften in acht.

Het is niet toegestaan systeemcomponenten open te maken.

WAARSCHUWING elektrische schok

Het is niet toegestaan de spanningsadapter open te maken.

Installatie:

- De installatie, inbedrijfstelling en onderhoud van het systeem mag alleen worden uitgevoerd door een vakman.
- Installatie is uitsluitend toegestaan in vorstvrije ruimten.
- Leidingen moeten voor installatie grondig worden doorgespoeld.

Bediening:

Neem de aparte, met het systeem meegeleverde bedieningshandleiding in acht.

- De aparte bedieningshandleiding og alle andre dokumenter moeten aan de eindgebruiker worden overhandigd.
- Geef de gebruiker uitleg over de werking van de diverse onderdelen. Maak hem vertrouwd met het gebruik van de kraan en neem met hem de bedieningshandleiding door.

Onderhoud:

- Het systeem mag uitsluitend door de BLANCO klantenservice worden gerepareerd.
- Bij onderhoudswerkzaamheden moet altijd eerst de netvoeding worden onderbroken. Sluit de hoekstopkranen en wacht tot de boiler is afgekoeld.
- Gebruik uitsluitend originele BLANCO reserveonderdelen en accessoires.
- Gebruik uitsluitend filterpatronen die door BLANCO zijn aanbevolen.

Sikkerhedsrelevante informationer:

Tag højde for nationale installations- og driftskrav.

Det er ikke tilladt at åbne systemkomponenter.

ADVARSEL elektrisk stød

Det er ikke tilladt at åbne spændingsadapteren.

Installation:

- Installation, idriftsættelse og vedligeholdelse af systemet må kun udføres af fagudlærte.
- Installation må kun ske i frostsikre rum.
- Rørledninger skal skylles grundigt igennem før installationen.

Betjening:

Se den separate betjeningsvejledning, som følger med systemet.

- Den separate betjeningsvejledning og alle andre dokumenter skal altid overleveres til slutbrugen.
- Forklar brugeren de enkelte modulers funktion. Gør brugeren fortrolig med brugen af armaturet, og gennemgå betjeningsvejledningen i fællesskab.

Vedligeholdelse:

- Må kun repareres af BLANCO kundeservice.
- Vedligeholdelse må kun udføres af fagudlærte.
- Brug kun originale BLANCO reserve- og tilbehørsdele.
- Brug kun filterpatroner, der er blevet anbefalet af BLANCO.

Informações relevantes para a segurança:

Tenha em consideração os requisitos de instalação e funcionamento específicos do país.

Não é permitido abrir nenhum componente do sistema.

AVISO Choque elétrico

Não é permitido abrir o adaptador de voltagem.

Instalação:

- A instalação, comissionamento e manutenção do sistema só podem ser realizadas por profissionais especializados.
- A instalação apenas deve ser realizada em divisões à prova de congelamento.
- A tubagem deve ser totalmente lavada antes da instalação.

Operação:

Tenha em atenção o manual de instruções separado, fornecido com o sistema.

- O manual de instruções separado e todos os outros documentos devem ser fornecido ao utilizador final.
- Explique ao utilizador o funcionamento dos componentes individuais. Familiarize-o com a utilização da torneira e acompanhe-o na leitura do manual de instruções.

Manutenção:

- O sistema apenas deve ser reparado pelo serviço de apoio ao cliente da BLANCO.
- Os trabalhos de manutenção devem ser realizados apenas por pessoal qualificado.
- Utilizar apenas peças sobresselentes e acessórios originais BLANCO.
- Utilizar apenas cartuchos de filtro recomendados pela BLANCO.

Información relevante para la seguridad:

Tenga en cuenta los requisitos de instalación y de funcionamiento específicos de cada país.

No está permitido abrir ningún componente del sistema.

ADVERTENCIA Descarga eléctrica

La apertura del adaptador de voltaje no está permitida.

Instalación:

- La instalación, la puesta en marcha y el mantenimiento del sistema solo pueden ser realizados por especialistas.
- La instalación solo debe realizarse en espacios protegidos contra heladas.
- Las tuberías se deben enjugar a fondo antes de la instalación.

Manejo:

Tenga en cuenta el manual de instrucciones separado que se adjunta al sistema.

- El manual de instrucciones separado y todos los demás documentos deben entregarse obligatoriamente al usuario final.
- Explique al usuario la función de los módulos individuales. Haga que se familiarice con el uso de la grifería y repase el manual de instrucciones con él.

Mantenimiento:

- El sistema solo debe repararse por el servicio técnico de BLANCO.
- Los trabajos de mantenimiento solo deben realizarse por personal especializado.
- Utilice solo piezas de recambio y accesorios originales de BLANCO.
- Utilice solo cartuchos de filtro recomendados por BLANCO.
